

May 18, 2006

Dear Carol Monahan Cowfield.

First I would like to thank you for awarding me the scholarship. I used the scholarship to attend St. Patrick High School where I will be enrolled for the 2006-2007 school year. My Freshman year to St. Patrick has been very exciting and I look forward to the years to come. The friends and experience are invaluable and the scholarship played a big part in making this possible. Also at St. Patrick I am getting a great education. The scholarship was a big help. I would also like to thank you for asking me to be part of this year's project graduation.

Thank you for everything!
Christopher Bailey
